GUIDELINES.
RESUSCITATION

Delayed Cord Clamping Best Practices

ANCC Credit Designation Statement – Nurses. The maximum number of hours awarded for this CE activity is 1.00 contact hour.

December 7, 2016

12:00pm – 1:00pm CDT (60 minutes)

Register: <https://engage.vevent.com/rt/ahaevents~120716>

Presenters: Dr. Elizabeth Foglia, MD; Dr. Ryan McAdams, MD

On behalf of the AHA Patient Support Network: Dr. Lynne T. Braun, PhD, CNP

The American Heart Association's Get With The Guidelines®-Resuscitation, Patient Support Network and the Academy of Neonatal Nursing bring you our upcoming CE webinar *Delayed Cord Clamping Best Practices*. Dr. Elizabeth Foglia, MD and Dr. Ryan McAdams, MD will discuss ongoing research on the practice of delayed cord clamping in pre-term babies, as well as current ICLOR/ACOG recommendations. You will learn the physiology behind the practice, evidence that supports delayed cord clamping and ways you can implement this practice in your hospitals. The webinar is **NO COST**. ANCC Credit Designation Statement – Nurses. The maximum number of hours awarded for this CE activity is 1.00 contact hour.

Joint Accreditation Statements

This activity has been planned and implemented by American Heart Association and Academy of Neonatal Nursing. The American Heart Association is accredited by the American Nurses Credentialing Center (ANCC), the Accreditation Council for Pharmacy Education (ACPE), and the Accreditation Council for Continuing Medical Education (ACCME), to provide continuing education for the healthcare team.

ANCC Credit Designation Statement - Nurses

The maximum number of hours awarded for this CE activity is 1.00 contact hour.
