

## Special Membership Offer for New Nurse Graduates

**2-Year ANN Membership + National Conference Tuition Only \$99\*!**

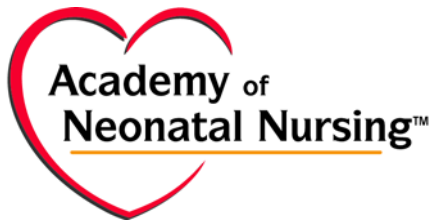

The Academy of Neonatal Nursing is pleased to support recent nurse graduates in getting their new NICU careers off to a thriving start. If you are a new nurse graduate, 2 years or less (first time licensure), working in the NICU, the benefits of ANN membership provide you with the tools to build a solid foundation as an NICU professional. ANN's official publication, *Neonatal Network: The Journal of Neonatal Nursing*, has been educating neonatal nurses for over 30 years and is THE trusted source for the latest innovations in neonatal care. Peer-reviewed articles and regular columns will give you the knowledge and confidence to develop and expand your skills to deliver the best care to your patients and their families. This special membership package also includes tuition to one of ANN's National Neonatal Nurses Conferences. Experiencing the energy and excitement of a live conference with 800+ of your neonatal colleagues will inspire your career like nothing else. Join today!

This offer includes:

- **2-year ANN membership including a 2-year print and online subscription to *Neonatal Network: The Journal of Neonatal Nursing*.** *This go-to publication for neonatal nurses at all levels in their career discusses clinical challenges, family-centered care, evidence-based practice, pointers in practical pharmacology, neonatal radiology, back-to-basics, and more. Includes both print and online.*
- **Complimentary registration to one ANN National Conference.** (Must be redeemed before 2 years from join date.)
- **20+ free contact hours of CE credits per year.** *Get a head start on fulfilling the requirements to renew your nursing license.*
- **Free access to ANN's Guide to NICU Care.** *This easily accessible go-to tool serves as a reference point to review pathophysiology, lab values, case studies, blood gas interpretations, RDS, and study questions to enhance your learning.*
- **Full access to ANN's Guide to Neuro Care.** *Understand early assessment and intervention strategies for suspected neurological injury in order to optimize outcomes.*
- **NAS Resource Center.** *This new resource has the most current information in evidence-based neonatal care to help optimize outcomes for infants with NAS.*
- **Professional Development Toolkit**
- **Enrollment in ANN's online New Nurse Group Forum.** *This private online community will allow you to connect with other new grads to discuss issues relevant to your day-to-day practice.*
