LIVE WEBINAR

Maternal and New Born Cardiac Arrest: The science and how GWTG-Resuscitation is addressing these unique patient populations

Join us for a webinar on Mar 16, 2018 at 12:00 PM CDT.

Register now!

Join us for our upcoming webinar Maternal and New Born Cardiac Arrest: The science and how GWTG-Resuscitation is addressing these unique patient populations. In this webinar we present an exciting new addition to GWTG-R of Maternal Data Elements. Our presenters will explain how this new addition is included in the Patient Management Tool as well as the importance of the Newly born Form and its use.

After registering, you will receive a confirmation email containing information about joining the webinar.
